Old Business:

Robin will contact District 25 Rec Board and request donating the old skate sharpener to Douglas and using the \$1000 that was given to RIHA for Zamboni repairs. She will also ask if OK to sell the Rinnai water heaters and use the money to reinvest in 2 new hot water heaters so that the association can have better hot water and pressure to fill the zamboni.

New Business:

Russ presented 3 items:

- Would like to make a full dasher board for 2011 State "B" Champions & future champions; putting picture of the banner and all players names on display at rink.
- June 2nd Hammer Electronics is celebrating their anniversary sale from 12-4 PM and will be serving ice cream floats to all customers and would like a non-profit organization to volunteer their services...they will pay the organization \$40/hour to do this...Robin, Staci and Michelle volunteered to be there (everyone is welcome who wants to help).
- He did inventory for concessions of items we sold and will check with Pure Hockey to see if we can get the 20% discount again to purchase more items (tape, shoe laces, mouth guards, etc.)

Jeff K. is checking with Brian Carr for the electrical work on the rink.

Rule Changes meeting will be held the weekend of June 23-24. Robin volunteered to attend as a representative for RIHA. The place and time TBA. If anyone has changes they would like to submit...do so ASAP to Lee Hanson.
