Meeting called to order by Tracy Shepardson.

Lee: Corrections to the minutes from the July 5, 2011 Board Meeting—"Minutes state the 4th locker room is finished." Lee clarified: the locker room is framed and sheeted only. Still needs the siding, shingles, drywall and electrical.

Lee has enough siding but it is white and tan. Discussed possibly painting the tan so the locker room would be white and red.

Lee discussed the option of having a U-16 team. Parents will be contacted to have a meeting to discuss this option.

Checking Account: 9800 after paying for the fencing that was installed. Fremont County Rec Board awarded RIHA \$2725 for fencing and \$400 for a new locker room. The bill for the fencing will be submitted to the Rec Board to receive the funds.

Schedulers meeting will be September 24 at CWC. Riverton is hosting again this year. An email will be sent out asking for assistance.

Team declaration deadline is September 10.

Registration will be the month of October. We will hold a registration day at Radio Shack on October 1 in addition to roller hockey demo, equipment swap and serving burgers and hot dogs. Radio Shack will make a donation. Charlette will be in charge of the food and setting up workers.

Stacy, Charlette and Mary volunteered to call the younger players for Call Back Week, which will be September 6-10.

Russ moved to change the mites and mini mites registration fees. The motion was seconded by Tracy and the motion was approved. Mites will change from \$50 to \$35 and mini mites will change from \$20 to \$35.

Brad moved to change registration fees for the other age groups, Russ seconded and the motions was approved. Bantams and Midgets will increase from \$105 to \$130. PeeWees and Squirts will increase from \$105 to \$120.

Tracy moved to raise equipment rental from \$35 to \$40. Russ seconded and motion was approved.

Equipment needs to be returned at the end of every season which is a change from previous years so we can keep the inventory more accurate.

Russ has created a new website and it will be up and running before registration starts.

Meeting was adjourned at 9:00 PM.
