Meeting called to order by Tracy Shepardson.

Checking Account: \$9800. Robin received check from Ed Taylor re: vent for \$530...can order it now.

Charlette(for Minis/Mites) and Stacy (for PeeWees) called the younger players for "Call Back Week", pushed by USA Hockey, to promote registration. The Board is determined to make this program great for the 2011-2012 season.

The menu (thanks to Robin Vail) for the Scheduler's Meeting is all taken care of. Thank you to all the volunteers who are donating the food items/condiments/desserts/drinks/tableware, etc.

Russ: Local Country radio station wants to broadcast some of the Midget games at the rink; board voted to make sure that they are set up to broadcast.

Purehockey.com sent \$2000 gift card for RIHA. It will be used to buy skates for rentals and then to buy stick tape, sock tape & any other hockey accessories to sell at concessions. All approved by board.

Stacy: Hockey registration announcement in the Riverton Rec paper has wrong pricing. She will call Mary Axthelm to get this corrected.

Board discussed making a "Thank You" sign to Smith's and hanging it on our concession stand since they are taking care of all food donations for the whole hockey season and also for Registration at Radio Shack on Oct. 1st.

Meeting was adjourned at 7:40 PM.
